

RPS International Inc.

Custom Precision Rifles & Shooting Accessories

Customer Gallery

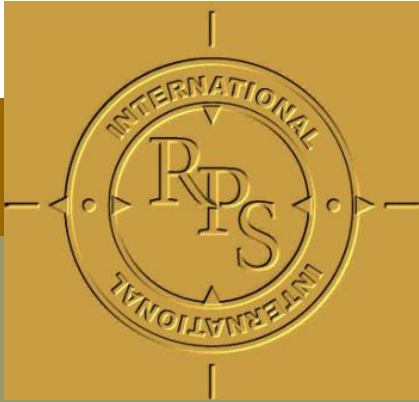

RPS International Incorporated produces some of the finest rifles available today all capable of sub-minute-of-angle accuracy. Keep in mind, sub-quarter minute of angle accuracy is possible. We produce both complete custom rifles and also accurized factory production rifles. Competition, and pleasure...short and long range applications. We have included a brief gallery of customer rifles.

movable muzzle brake

Brief Specifications:

Savage Law Enforcement 10BA -
308 Win.— Nightforce NXS scope

Brief Specifications:

338 Lapua - Surgeon XL repeater.

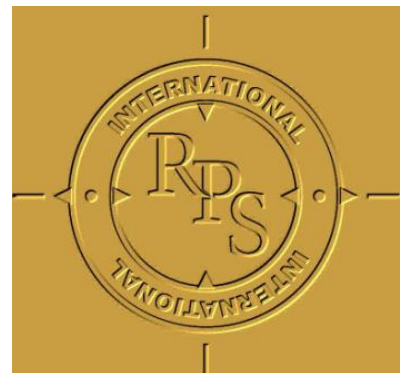

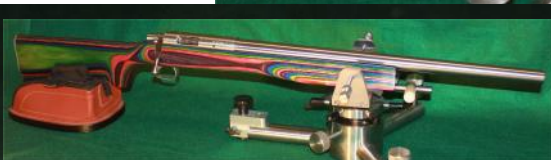

Customer quote:

This rifle handles like a dream. The recoil is very minimal not enough to knock me off the scope...quite amazing actually. You did a great job It doesn't seem to matter what I feed this rifle it will shoot a hole in a hole consistently!

Holland Radial discharge brake, Manners Stock**

Brief Specifications:

**308 Win. - Krieger Barrel, Trued Rem.
700 Action, Accuracy Int. Stock.**

Customer quote:

I had a chance to function test my new barrel on Sunday. It has been 9 months since I picked up the rifle and the first 308 I have shot this year. To say I'm happy is an understatement. I now have to work up a load and practice hard at shooting up to this rifle's potential.

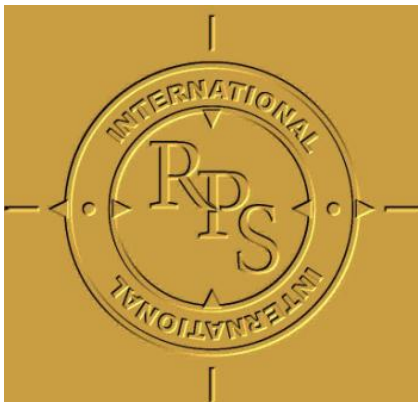

Brief Specifications:

260 AI Remington - Bat VRPIC Action (integral 20moa rail and recoil lug), Krieger Barrel, McMillan Sako Varmint Stock, Jewell Trigger, H-S Precision DBM.
